

■ QUEEN JIAFEI

Reigning Monarch of Floptropica

Her Majesty Queen Jiafei of Floptropica

Queen Jiafei is the beloved reigning monarch of The United Queendom of Floptropica, descended from the legendary Founding Mothers who established our nation in 1522.

Royal Lineage:

- Direct descendant of the Founding Mothers
- Coronated in a magnificent ceremony in Floptopia
- Resides in the Royal Palace in the capital
- Beloved by all 2.5 million Floptropical citizens

Reign Achievements:

- Modernized Floptropica while honoring traditions
- Strengthened ties with ally nations
- Promoted tourism and economic growth
- Protected Native Floptropical rights
- Led cultural renaissance

The Royal Family:

Queen Jiafei leads the constitutional monarchy, working alongside Prime Minister Deborah Ali-Williams to ensure prosperity for all Floptropicals.

Royal Duties:

- State ceremonies and diplomatic visits
- Patron of the arts and culture
- Guardian of Floptropical heritage
- Symbol of national unity

Famous Quote:

"Every Floptropical deserves to live fabulously in peace and prosperity. AURGHHH!" - Queen Jiafei
